Description

BRING ALL OFFERS!! ONLINE AUCTION!

NO RESERVE AUCTION: In partnership with Boathouse Auctions, the 50' Huckins 2015, WOMBAT, is being offered for sale at auction without reserve. The preview period for interested buyers is currently in progress. Inspect in person, name your price online at the tap of a finger. Contact us for More Details, dates, full hull and engine surveys, photos, video, etc.

Immaculate Condition:

- Oil change performed on both engines in May. Oil samples report available as of 5/3/2024.
- Fresh new bottom paint and prop speed on running gear
- Z Pods just serviced, including new zincs, filters and transmission fluids
- Recent survey available to serious buyers

WOMBAT is a highly customized Huckins with a two stateroom, two head layout that is set up for serious offshore sport fishing, but also provides luxurious cruising comforts that will make the whole family happy. Based on Bill Prince Yacht Design's signature Huckins retro classic double raised cabin top design, this 45 SF elegantly combines the requirements of serious anglers with gracious classic styling in a midsize cruising yacht, along with a hull that is both seakindly and economical.

To build this custom yacht today would cost over \$3 Million.

Powered with Twin 480-hp Cummins QSB 6.7 (340 hours) diesels and ZF pod drives for power and efficient performance.

Wombat is very fuel efficient thanks to her strong, yet light cored fiberglass modern construction. Burns 28 gph at 24 knots for a 360-Mile range.

Seller paid to have a recent survey done and he will share those results with serious prospects!
