Manufacturer Provided Description

Experience a crossover that offers luxury and power with precision that leads to exhilarating performance, in the Tiara Sport 38 LX, with transformational seating aft that converts to sun pads both port and starboard. A centerline pass through makes moving throughout easy, from the bow seating through the sleek, modern cockpit, past the exterior galley, to the ample seating aft. Should you need a respite, cabin and head are below. All wrapped up in a stunning design. It is a beautiful balance for the perfect combination of sport and comfort. Optioned with triple Mercury 400 Verado engines, the 38 LX is ready for adventure. Glass cockpit integrated electronics including Garmin® Marine Navigation systems offer a user friendly interface presenting navigation and safety information for Captain.
